

Imagine you are plants, with roots (feet) and with leaves (fingers).

If you were a plant ...	Yes	NO
... do your roots like space to move?		
... do your roots prefer to stay together in the same space?		
	Yes	NO
...do your roots like to be firm in the ground?		
	Yes	NO
...do your roots like to be very dry?		
...do your roots like to be very wet?		
...do your roots like to have a good amount of water available?		
	Yes	NO
... do your leaves like to be in the dark?		
... do your leaves like to be in the sun and light?		
.... do your leaves like to be outdoors?		
.... do your leaves like to be underground?		
...do your leaves like to be in windy places?		
...do your leaves like to be in places where they are protected?		
	Yes	NO
...do you like to grow where there are lots of plants?		
...do you like growing up where you have space to yourself?		
	SIM	NÃO
... do you like being in a place with nothing to feed you or a place with lots of good food to grow?		
	Yes	NO
... do you like being in a place with nothing to feed you?		
... do you like being in a place with lots of good food to grow?
